

Carrier Authorization

Complete this form only if your existing carrier agreement does not already authorize third-party insurance verification. If it does, you're already covered — no need to use this.

Authorization to Confirm Insurance Information

The undersigned motor carrier ("Carrier") authorizes the Client named below ("Client") and the Client's designated third-party verification provider, Clear Path Verify, LLC, to confirm with Carrier's insurer(s) and insurance agent(s) the status, limits, and listed drivers and vehicles of Carrier's cargo legal liability insurance coverage. Carrier authorizes its insurer(s) and agent(s) to release and confirm that information for purposes of loads arranged by the Client. This authorization remains in effect until revoked in writing by Carrier.
